## REMEMBERING FR. NEIL KILTY, OSFS CLASS OF 1959

It is with great sadness, but with faith in the Resurrection, we announce that our Alumni Chaplain and brother, Rev. Cornelius F. Kilty, OSFS, passed away at the age of 83 on Saturday, September 9, 2023. He was a professed member of the Oblates for 62 years and a priest for 54 years. A teacher, administrator, chaplain, archivist, and religious superior, Fr. Kilty was a dedicated Oblate and priest.

Fr. was born in Philadelphia on May 27, 1940, he was the son of Francis Kilty and Kathryn (Murray) Kilty. He attended Nativity BVM parish school and Northeast Catholic High School. Neil joined the Oblates of St. Francis de Sales after graduation in 1959. He made his First Profession of vows in 1961 and his Perpetual Profession in 1965.

Neil earned a Bachelor of Arts in French and Spanish from Niagara University (1964) and a Master of Arts in Classical Languages from Villanova University (1971). He completed his studies for the priesthood at De Sales School of Theology and was ordained a priest on June 6, 1969.

Following ordination, Fr. Kilty was assigned to Northeast Catholic High School where he served as teacher, department chair, activities director and track coach. Fr. Kilty called "North" his home for almost 30 years. During the 1970s, he was stationed at the school and only left Torresdale Avenue when the Oblates asked him to serve as Superior at the Oblate Seminary in Center Valley, PA. In the early 1980s, he was the Studies Director at Father Judge High School and continued to teach Latin.

Fr. Kilty returned to North Catholic when he was named Superior of the Northeast Catholic Oblate Community in 1987. He taught Latin and Greek and had a successful coaching career with the track team. It was during this time that Fr. Kilty oversaw the renovations of the chapel at the Oblate house and took on many projects around the property. Fr. Kilty served at North Catholic until the school closed in 2010. He remained a faithful "Falcon" until the day he died.

Fr. Kilty was the chaplain of the Northeast Catholic Alumni Association for over 25 years. He wrote a column in the alumni newsletter at least twice a year and organized the Alumni Mass & Communion Breakfast even in retirement. Though he was ill and slowing down, Fr. Kilty helped organize the last breakfast event in March

of this year. He came back to Philadelphia in a wheelchair carrying an oxygen tank, but his mind and humor were as sharp as they were when he was a teacher. His friends and former students from North continued to visit him at the Oblate Assisted Care Facility (Annecy Hall) in Childs, Maryland. Members of the Alumni Association came to the hospital to be with him the day before he died.

After North Catholic closed, Fr. Kilty continued to teach part-time at Neumann-Goretti High School in South Philadelphia. A new generation of boys (and now girls) learned Latin, Greek and the old jokes that Fr. Kilty had been handing down for almost forty years.

Fr. Kilty was also an instructor in the Religious Studies division of St. Charles Borromeo Seminary (Overbrook, PA) on the graduate and undergraduate levels. He was an adjunct faculty member at Holy Family, Immaculata, and LaSalle Universities in the Philadelphia area.

He served on the Board of Trustees for DeSales University and Mary Immaculate Seminary (Northampton, PA) and taught at Moravian University.

In 2002, the Philadelphia Inquirer ran a story about Fr. Kilty and what they called his "Greek chorus" at LaSalle University. The newspaper observed that many graduates of North followed him from high school to college and overwhelmed the university administration and language department by signing up for his Greek courses. One admiring student said Fr. Kilty was "a Greek god."

He served as President of the Council of Religious Teachers for the Archdiocese of Philadelphia in the 1970s. In the years following the Second Vatican Council and the renewal of religious life, Fr. Kilty was a frequent lecturer, facilitator, and retreat director for many communities of women religious in the archdiocese. He celebrated mass at different convents in the area, including the Sisters of the Holy Family of Nazareth. Sister Marcella Louise Wallowicz, CSFN, was a professor at Holy Family University and recalled that after morning mass at the convent she and Fr. Kilty "would sit together in the dining

room for breakfast and reminisce about the old Port Richmond neighborhood. As a teacher, I really enjoyed his classroom stories."

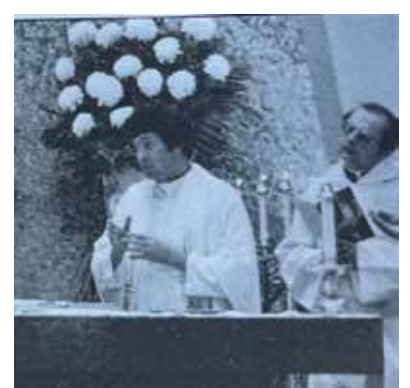

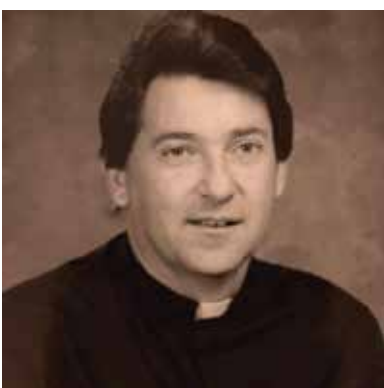

Fr. Kilty was most associated with the Dominican Sisters of Hawthorne (New York) and the facility they ran in the Hunting Park section of Philadelphia: Sacred Heart Home for Incurable Cancer. Fr. Kilty first met the sisters when he served mass for them as a student at North Catholic in the 1950s. He was a regular altar boy helping the Oblate priests from North Catholic who ministered at the cancer home each morning at 6:30 AM. When Fr. Kilty returned to North after ordination, he would celebrate mass at the home along with the other Oblates assigned to the school. When the Oblate residence at North closed in 2000, Fr. Kilty became the main chaplain to the sisters and was faithful to them and their residents until the home suspended operations in the summer of 2018. At that time, Fr. Kilty retired to Annecy Hall.

Though he was retired and faced many physical limitations, Fr. Kilty continued to be an important part of the community and made many contributions to the Oblate archives and the North alumni. He worked as province archivist and never stopped compiling reports, writing articles, and typing up reflections and homilies on his trusty (and old) typewriter.

Fr. Kilty loved his old neighborhood and his home parish, Nativity of the Blessed Virgin Mary Church (now part of St. John Paul II Parish). He left this world just one day after the church calendar celebrated the Feast of the Nativity of the Blessed Virgin Mary.

Fr. Kilty is preceded in death by his parents and his sister Eileen Manning. He is survived by his Oblate confreres, his nieces Christine Scanlon and Colleen Brett, his nephews Kevin Manning and Patrick Manning, and seven grandnieces and grandnephews.

May the angels lead him into paradise and may he rest in peace.

May He Rest In Peace

An aside

LaSalle University is joining our Annual Golf Outing in a quasi-like partnership. North and LaSalle have a long basketball history together. A list of former Falcons who played at LaSalle are a who's who of hoopsters: Frank Hoerst; Walt Colman; Buddy Kline; Stan Witalic; Ron Kurtz (later transferred to Univ. of Baltimore); Joe Rapczynski; Gene Kweeder; Jim Wolkiewicz and Mike McCarron (assistant coach to Speedy Morris).

Trivia questions: Who is the only player in North Catholic basketball history to play on a City Championship team AND an NCAA Championship team?

Who are the only North Catholic basketball players drafted either in the NBA and/or ABA?  
 #Answers elsewhere in this issue.

## A major turnout for the 33<sup>rd</sup> Annual Northeast Catholic Alumni Golf Classic

Thanks to all the efforts of our Golf Classic Committee and our Board of Governors this year, we managed to sell out all of our spots at North Hills Country Club for the first time in a very long time. There were many of the same faces that signed up again this year and many new faces, which caught everyone by surprise, particularly the staff at North Hills Country Club. Without a blink of an eye they called out for the extra golf carts and staff, and where well prepared to provide an outstanding golfing experience once again. We thank everyone at North Hills and in particular, Jack Connelly, Mickey Sokalski, Head Pro and Christy Ly, Event Sales Director for a job well done.

We would also like to thank our special guests for this year's Awards Dinner Program including Dr. Daniel J. Allen, Ph.D., President of La Salle University, Mr. Joseph Hand, Jr. of Hand Promotions, and Chris Therien, former Philadelphia Flyers hockey player and author of "Road to Redemption".

Special thanks to our Host for our program, Joseph Rapczynski, '70 NC Hall of Fame and author of "The Junior Varsity Team is Playing" and "Onward".

Combined this year we raised \$25,000 for the Memorial Scholarship Fund. Thank you to everyone who contributed.

President's  
 Message  
 By  
 Robert J. Kensil, Jr. '74

Greetings Brothers,

This 'Message' is usually fun to write then correct all the spelling and grammar errors, look up information and so on, but this one will start off with the Association having a heavy heart.

In case anyone hasn't heard the Chaplain of our Association and a man that I knew for over 50 years passed away on Sat. September 9, 2023. Fr. Cornelius Kilty was born in the Nativity parish and 82 years later he was laid to rest in the beautiful Port Richmond church. Many, many of his friends came to pay their respects, whether they were some of his fellow Oblates or other Orders of Priests and Nuns, old students or just friends that came to bid him farewell. For those of us that knew him we had plenty of laughs with him and most importantly learned from him. Fr. was always supportive of the Associations' needs, such as organizing the Communion Breakfast Mass and writing his column for the Falconer called 'The Chaplains Corner', he was always more than generous with support of any of our programs to raise funds for Tuition Grants.

The Association's Board members were honored to and considered it a privilege to form up an Honor Guard and be Pall Bearers at his casket in church and Anney Hall cemetery in Childs Md. If you want to read some more about this great Priest go to our web site, [www.northcatholicalumni.org](http://www.northcatholicalumni.org), and you can see what an accomplished teacher/priest/man he was. We will miss you Fr. Kilty!

John T. Musial, '63

Dominic V. Veneziale, '67

Sadly, we had two other Alumni board members pass away in the same week. Dominic Veneziale '67, a retired parole officer and president of the ASFASA retirees. Also sent home to God was John Musial '63, John was a former Alumni President and member of the board of Trustees and John ran or pitched in to help with every activity the Association ran for 50 years or more.

Both these men had excellent words for the assembled and so did Little Flower's new president Kristie Hughes Dugan.

Now on to more joyous events, 1st is the 33rd annual Golf Outing. The Outing was a great success and was completely sold out, we asked the fine folks of LaSalle University to participate in the tournament with us and we asked the President of LaSalle to give a few words after dinner and he graciously honored us with some very choice words for our alma mater. We also had 1970 grad Joe Rapczynski emcee the awards ceremony, a task he handled effortlessly and entertained the crowd with a few nice stories. Former Flyer Chris Therien received an award for his mission to help folks with addictions and Joe Hand Jr. accepted an award for his Dad, a 1955 grad and president of Joe Hand Promotions. Both these men had excellent words for the assembled and so did Little Flower's new president Kristie Hughes Dugan.

2nd The awarding of our \$500,000 in Tuition Grants to 33 deserving students, sons and daughters, grandchildren and Great Grandchildren of Association members is a great honor.

3rd The 92nd annual Communion Breakfast and Mass

As you can see your Alumni Association is alive and well and busy keeping our legacy the greatest and the envy of any and all high schools. See you at the next Turkey Bowl in November.

# WATCH FOR FALCONWAY XXXVI

**FALCONWAY XXXV** raised a total as of August 31, 2023, \$235,680.52 compared to \$176,310.76 last year at this time. The Scholarship Fund received \$197,075.50 and the Oblates were the beneficiary of \$38,605.02 for their Development Fund.

As noted the Scholarship Fund has benefited from a number of large individual donations, as well as a number of estate bequests.

Likewise, the recipients of the grants awarded by the Fund and their parents are eternally grateful for the needed financial support for their Catholic education. The Trustees of the Scholarship Fund and the Oblates wish to extend their thanks to those who have contributed over the years and especially to those listed in the President's Inner Circle.
